

# The Wonderful Sound of Baseball

By: John David

Yelling, cheering, and booing  
At the Kansas City Royals games  
The wonderful sound of baseball  
Oh how I love yelling, cheering, and booing  
It gives the game a interesting vibe  
With all the yelling, cheering, and booing  
It makes you want to go see the KC Royals  
More with the awesome fans  
So when you here all the yelling, cheering and booing  
Think of the Kansas City Royals!
