Pajamas oh pajamas  
I wear you to sleep  
You keep me nice and comfy  
Just like a blanket I keep  
I've had you forever  
But forever is not long enough  
I wish I could keep you longer  
But on you is marshmallow fluff  
My mom says I can't sleep in you anymore,  
So I guess this is the last goodbye  
Now I have to find another four  
But I wish I knew why
