

Primary Bobcat iPad Contract

 I will use clean hands when using the iPad.

 I will always use an iHug with two hands to carry the iPad.

 I will make sure to have an adult plug the iPad in when I see this.

 I will only use apps and programs my teacher tells me to use.

 I will keep food and liquids away from my iPad.

 I will be responsible and make smart choices while using the iPad.

 I will use my voice, not my hands, to help others.
